## From September to December's Events

### Inter-School Sports

From the 15th of this month there have been a string of sporting events to determine the supreme school of sports on this ridge. PERSCO participated fully, putting up a stellar performance thus far especially in the soccer and hockey. Despite awful shows in the ping-pong and volleyball, we managed to qualify for the other sports above. We also hope for victory in the basketball and badminton. Good luck to all the sports boys!

### National Debate Contest

On the 29th of November, St.Peter's Senior High School faced off against about 25 schools in an electrifying debate contest held in Oyoko Methodist School. PERSCO stood on top and qualified for the regional level of the Presidential Debate Competition. Congratulations! *Omedeto!(in Japanese)* Go Writers' and Debaters' Club!
